

# ENHANCING PARENTING PRACTICES IN HUMANITARIAN SETTINGS: EVIDENCE AND STRATEGIES

UNICEF/Choufany/

**Register Here**

**19 March 2025**  
14:00 – 15:00 CET

## DISCOVER HOW PARENTING INTERVENTIONS CAN TRANSFORM LIVES IN HUMANITARIAN CRISES!

Our expert panel will discuss the findings of a comprehensive meta-analysis on reducing violence against children and improving family well-being in low- and middle-income countries.

### What You'll Learn:

- Key findings on the effectiveness of parenting interventions.
- Challenges and strategies for implementation in crisis contexts.
- Policy recommendations to enhance family support systems.

**Let's work together to build resilient families and safer communities!**
