1:00 – 2:30PM CET

NOW AND FOR DECADES TO COME, CLIMATE CHANGE WILL EXACERBATE CHILD PROTECTION RISKS AND THREATS TO THE SAFETY AND MENTAL HEALTH OF CHILDREN, AND FURTHER INEQUITY THROUGH ITS INTERGENERATIONAL IMPACTS.

This online session seeks to explore the existing evidence of the connections between climate change and risks to children's protection and discuss the role that child protection actors and the wider humanitarian community can take to ensure the protection of children and well-being of children impacted by the climate crisis.
