

Learning series to tackle child marriage in crisis and forced displacement settings

A joint Learning initiative by Plan International and UNHCR

Endorsed by the Alliance for Child Protection in Humanitarian Action

This Learning Series responds to key challenges and gaps in knowledge and capacity as identified by country teams through a global capacity strengthening collaboration between UNHCR and Plan International. The module content has developed based on piloting throughout 2021-2023.

The modules are free to enrol, and available in **English** or **French** hosted on both Kaya and Workday.

Learn more by visiting the dedicated website hosted on by the [Alliance here](#).

MODULE 01

The Adolescent girl-responsive approach to child marriage programming

Address child marriage by centring programming on the needs and realities of adolescent girls. It will inform you about how to unpack the nuances and complexity of child marriage in your context, to deliver more impactful programming centred on adolescent girls in line with humanitarian standards.

Handouts: 1. The adolescent girl-responsive approach
2. Determining and assessing the Best Interests of the Child

2

→ Join Module 2 on [Kaya](#) or [Workday](#).

MODULE 02

Supporting married girls and unmarried girls at risk of child marriage in case management

This learning module is primarily aimed at child protection and gender-based violence caseworkers and supervisors or coordinators. This module will improve your skills and knowledge to deliver case management services to married and unmarried girls affected by the practice of child marriage.

Handouts: 1. Complementary information and examples
2. Key messages

3

→ Join Module 3 on [Kaya](#) or [Workday](#).

MODULE 03

Co-designing child marriage prevention strategies with girls and their community

Participatory co-design methods to build community-led and girl-driven child marriage prevention strategies with lasting impact. Gives examples of child marriage prevention strategies to help you design and deliver tailored humanitarian prevention programming.

Handouts: 1. Complementary information on child marriage prevention
2. Child marriage prevention example activities and approaches
